“HE IS RISEN...AS HE SAID” !!!

With these very words the first Christians announced their joy at discovering the powerful miracle for the resurrection of Christ. The Scriptures tell us that they went around and greeted everyone with those words because this was the only greeting important enough to say to anyone. Even today, Greek Catholics use these words to greet each other at Eastertime.

You can easily imagine their exuberant joy after the devastating sorrow of learning of the Crucifixion. We can picture those early followers of Christ jumping up and down, screaming with happiness, and filled with hope and cheer.

It wasn't only because they saw the miracle of the resurrection, but because they truly understood its meaning. Jesus had promised that when He rose from the dead, He would open the gates of heaven to all of us, and one day, the same resurrection would be ours as well.

Do you believe this? Try hard to answer this question honestly.

*The true test of our belief is in our actions. When someone we love passes away, do we mourn like people with the sure hope that we will be together again? Or do we act like that person's life is over, finished, completely ended? Our faith teaches us that our life **changes** at death and **we continue to live** in a new way without the need of our human body, as the Lord promised. This is the result of Jesus rising from the dead. This is what made those first Christians so happy. Their lives would be **eternal** life, and so are our lives!*

Our external signs of joy include the bright lights of the church, the beautiful Easter flowers and decorations, the joyful music we sing, the atmosphere of being in a newly blooming garden filled with new life. The Church rejoices at Eastertime like no other—because of what we believe.

*However, the **internal signs** of our belief are those which really count. Do you feel any joy at the Lord's resurrection which points to your own resurrection? Do you really believe in your heart that your loved ones who have already passed, have passed into new life? Do you believe that **they live** as the Lord promised?*

This is how we mourn ---with hope, not despair or eternal sadness. When you pray for the dead you are praying for living beings who you will see again. God's love and mercy will forgive your sins and failings, and, after some purification in purgatory, He will welcome you into His kingdom. Believe this!!!

So, with all the Christians throughout the centuries we shout: “HE IS RISEN...AS HE SAID” !!!

*A Happy and Blessed Easter to all of you
and your families.*

The Holy Father speaks...

We can imagine the Risen Lord who calls us to come out of our darkness, and so we set ourselves on the path toward the One who is Light. I invite all Christians, everywhere, at this very moment, to a renewed personal encounter with Jesus Christ, or at least an openness to letting him encounter them.

En Sintonía**Domingo de Resurrección - La mañana de Pascua.**

La Resurrección del Señor marca la renovación de nuestra condición humana. Cristo ha derrotado la muerte, causada por nuestro pecado, y nos reconduce a la vida inmortal. De ese acontecimiento brota toda la vida de la Iglesia y la existencia misma de los cristianos. Lo leemos precisamente hoy, Uno de los signos característicos de la fe en la Resurrección es el saludo entre los cristianos en el tiempo pascual, inspirado en un antiguo himno litúrgico: ¡Cristo ha resucitado! ¡Ha resucitado verdaderamente! Es una profesión de fe y un compromiso de vida, precisamente como aconteció a las mujeres descritas en el Evangelio de san Mateo. La Pascua se refiere al paso del Señor sobre la tierra de Egipto antes de la liberación del pueblo de Israel. Aquella noche, Yahvéh hizo sentir el brazo de su justicia sobre los egipcios y liberó al pueblo elegido. Su paso no fue indiferente. Para todo cristiano, la Pascua, no puede sucederse sin más. La vida de estas mujeres de las que nos habla el Evangelio, no fue la misma después del encuentro con Cristo Resucitado. Dejémonos guiar por la fuerza de la Resurrección del Señor. Que su Pascua no nos deje indiferentes, que nos transforme como lo hizo con los primeros cristianos que fueron capaces, incluso, de dar su vida por la causa del anuncio de la Buena Nueva. El Evangelio de Jesucristo es un mensaje de libertad y una fuerza de liberación.

Felicitaciones a todos las que han recibido los sacramentos de iniciación Cristiana en la noche de la vigilia pascual.
