*We understand that every year, every child enrolled in a Religious Education Program in the Diocese of Brooklyn will receive safety training by use of the Child Lures Prevention Program, a program that serves to make children and young adults more aware of dangerous situations and empowers them to react in a positive way. We give permission to our child to be present at the Child Lures Prevention Workshops. We will review the topics discussed at the workshop.*

*We give our child permission to participate in extra-curricular activities within the Faith Formation Program at the Basilica of Regina Pacis and in doing so release the Basilica of Regina Pacis, the Faith Formation Program, its catechists and all of the faculty, from any and all liability and penalties that may result from injuries incurred during said participation. We also grant the Basilica of Regina Pacis and its Faith Formation Program the right to take and use photos of our child in Parish's publications and on its website. We also agree that our child will fulfill the requirements of the Parish's Program, which may include participation in class and online.
